

Layla Abdulrahman

Senior UX Designer & Design Lead

Dubai, UAE · layla@example.com · +971 50 123 4567 · layla.design

PROFILE

UX designer with 8+ years designing bilingual (Arabic/English) digital products for fintech, government and e-commerce across the Gulf. I lead research-driven teams and build design systems that work beautifully right-to-left.

EXPERIENCE

Design Lead — Nakhla Tech, Dubai 2021 – Present

- Lead a team of six designers on a banking app used by 1M+ customers.
- Launched a bilingual design system adopted by four product squads.

Senior UI Designer — Sarab Digital Agency, Riyadh 2018 – 2021

- Designed websites and stores for 30+ clients in Saudi Arabia and the UAE.

UI Designer — Wasl Government Services 2016 – 2018

- Redesigned 12 e-government services; task completion up 35%.

EDUCATION

BSc Computer Science — King Saud University 2012 – 2016
Google UX Design Certificate 2019
